

PERMISSIONS FORM

This form seeks permissions for the recording and/or publishing of any presentations, presentation slides, papers or abstracts you will provide for the 2017 THETA conference. Following best practice in Open Access for researchers and the public worldwide, we seek to attach a [Creative Commons BY 4.0 \(international licence\)](#) on all works collected.

We seek to publish abstracts and presentation slides on the conference website, as well as publish conference papers and their abstracts on the CAUDIT website.

Each recording may include the presenter’s voice and any slides shown on the screen or video, voice and slides.

We would be grateful if you would advise whether you give your consent by ticking the appropriate boxes and signing below. If you do not wish the recording and/or publishing of your presentation, presentation slides, paper or abstract, or object to the use of the 4.0 CC BY licence, please let us know. We will endeavor to accommodate your needs.

Please return the completed form to lynda@iconevents.co.nz by 17 February 2017.
